

# MineARC is 'SiriUS' about supporting breast cancer research. Purchase a chamber to help the cause.

For every MineSAFE and TunnelSAFE Refuge Chamber purchased in Australia between 15<sup>th</sup> March and 30<sup>th</sup> June 2021, receive 32 Pink SiriUS-LUX Corded Cap Lamps, complete with a Charger Rack.

Part proceeds from every free cap lamp will go to the National Breast Cancer Foundation of Australia, as part of our Pink SiriUS-LUX campaign.

**1 in 7 women and 1 in 675 men** are diagnosed in their lifetime with breast cancer. Partners, siblings and friends, as well as those living with and beyond the illness are all members of your team.

**Through the act of purchasing a Refuge Chamber during this time period, you are directly contributing to life changing research into the prevention and cure of breast cancer.**

Part proceeds from every Pink SiriUS-LUX will be donated to the National Breast Cancer Foundation of Australia.
